

To Observe Education Week At G. L. School

Grass Lake School District No. 36 will open its doors next week, November 6-12 in observance of American Education Week.

Superintendent John P. Schockmel said that parents are cordially invited to attend classes on Monday, Tuesday, Wednesday, and Thursday during the school day in order to observe the operation of the school program. Anytime after 8:45 parents may report to the office, sign the guest register, and then visit the classrooms.

Schockmel also mentioned that most adults understand that education has become one of the great forces shaping human destiny, and most

youngsters realize that the nature of their education will determine in large measure how they will spend their lives.

On November 30, 1921, American Education Week was launched by a Proclamation issued by the President of the United States. Every President since then has recognized the event with a proclamation, and AEW has become the biggest public relations event on the school calendar.

The founders of American Education Week, the National Education Association are still co-sponsors of it, along with the U.S. Office of Education and the National

Congress of Parents and Teachers, who became co-sponsors in 1922 and 1938 respectively.

Originally, AEW was used to stimulate public action to correct the kinds of deficiencies in American educational practices which permitted vast numbers of our nation's youth to grow up illiterate and in poor physical health. Through the years, the event has shifted its focus to all aspects and all levels of education, calling public attention to the fact that the problems and achievements of the nation's schools are, to a very large degree, the personal responsibility of each citizen.

Invite School Visits For Education Week

Parents and friends are invited to visit Antioch High School next week as the school observes American Education Week, November 6 to 12.

The Future Teachers of America, a high school organization, is putting up exhibits, posters and displays of work representing good American education. Members of the club will serve as escorts in visits of parents to various departments of the school.

School will not be in session November 11 because of the observance of Veterans' Day.

Special topics are designated

for observance on each day of American Education Week. Sunday, Nov. 6, is dedicated to human dignity; Monday, to rational thinking; Tuesday, to a creative spirit; Wednesday, to self-reliance; Thursday, to economic competence; Friday, to informed citizenship; and Saturday, to life-long opportunity.

Hearing On Knolls Sewers Next Tuesday

The Village Board will attempt to speed up the hook-up of sewers in Oakwood Knolls subdivision at a hearing to be held next Tuesday, November 8, at the village hall in Antioch.

October 15 was the deadline for hooking into the village sewers. Some 26 Knolls residents have not paid the hook-up fee nor taken steps to hook into the sewers.

Twenty other homeowners, Mayor Ray Toft said at Tuesday's board meeting have paid the hook-up fee but have not yet hooked into the sewers. Toft said this was largely because contractors have been too busy to get the work done.

The village board at an earlier meeting decided to hold the hearings in the hope of avoiding legal procedures. Registered letters have been delivered to all delinquent homeowners requesting them to attend the hearings and give the board reasons for not hooking into the sewers. The board will attempt to help homeowners reach a solution of their problems and will consider hardship cases.

NEW FIRE TRUCK

Charles Maplethorpe, Fire Chief, presented plans and specifications for a new fire truck, along with a request

that the village purchase a truck. Maplethorpe pointed out that the village hasn't purchased a truck for 20 years, and that the equipment now being used was bought by the Fire District.

The new truck will probably not be ready for delivery in less than a year after bids are let. Maplethorpe said, "The board approved a motion to advertise for bids on the truck."

O.K. CHRISTMAS DECORATIONS

Robert Wilton reported that Xmas street decorations planned by the Chamber of Commerce would hang from a bracket on light poles, and that Superintendent of Public Works Edgar Simonsen had said the village men would install them. The decorations will be installed before Thanksgiving, he said, so as to get them up before the work of snow removal is heavy.

TRAFFIC PROBLEMS

Trustee Art Meierdick reported on a plan to relieve traffic congestion at both local banks. Consulting with William Brook, president of the State Bank, he said Brook had suggested that the bank hire an off-duty policeman to direct traffic at the drive-up windows.

There are two entrances

to the two drive-up windows, Meierdick said. With traffic directed, there should be no cars waiting in line on the street.

The removal of parking meters in front of the State Bank was also suggested to ease the flow of traffic on Lake St. The board approved both measures.

The tie-up of traffic at the First National Bank had also been considered at an earlier meeting. The board approved a motion to install "right turn only" signs at the Main St. entrance to the bank's drive-up windows and at the Lake St. exit. This would necessitate bank customers entering the bank driveway only when driving south on Main St. and turning west on Lake St., as they leave the bank.

The board approved a petition of Annexation of two lots on Zelinger Lane in Oakwood Knolls.

A bit of Antioch's history came up when Attorney Edward Jacobs reported on his investigation of an easement granted the village along the railroad tracks. He reported that the easement was granted August 9, 1917, for installation of utilities, on property adjoining Johanot St. Johanot St. was later renamed Park Ave.

The board approved a motion to install three new lights, of a new type, on a trial basis at the corner of Lake and Main. The manufacturers claim that the new lights will give twice as much illumination at the same power.

Edgar Simonsen reported that the Ida Ave. crossing had been graveled and raised, and Attorney Jacobs was instructed to report the improvement to the Ill. Commerce Commission in compliance with requirements for the installation of flashing signal lights at the crossing.

It was reported that the railroad crossing on Route 173 near the high school had not been improved, and no reply received to a letter written to the railroad by Clerk Clarence Shultis. Vern Barnstable was asked to contact the Soo Line station agent in regard to the bad condition of crossings on Route 173 and Depot St.

Trustee David Nissen reported that stores, selling packaged liquor had requested that Sunday open hours be extended. The present ordinance keeps the liquor stores closed till noon. The license committee of Robert Wilton, Irving Walsh and Roger Williams were instructed to investigate the matter.

Governor Presents Trophy To Antioch High School Band

Governor Otto Kerner came to Antioch last Wednesday afternoon to present the Governor's Trophy to the Antioch Community High School Band.

The band took first place in the band contest at Springfield last August 19. Competing with 43 other bands from all over the state, Antioch was judged best.

The students gathered in the High School gym at about 2:45 p.m. Wednesday for the presentation. Mayor Ray Toft and the mayors of Lindenhurst and Lake Villa were present to greet the governor.

The prize-winning band was assembled in the gym and played two selections for the audience before the presentation.

Introduced by Superintendent Albert Dittman, the Governor spoke of the pleasure and relaxation to be found in listening to good music. "They say 'Music hath charms to soothe the savage breast,'" the Governor remarked. "I sometimes wish it could be introduced into our legislatures."

The governor congratulated Band Director Joseph Rush and Superintendent Dittman on the quality of the Antioch High School band and on winning the trophy.

Director Joe Rush has directed the Antioch band for about ten years. The band has earned Superior ratings every year at the annual band contest.

At the August competition, the Antioch Band played a one-half hour mixed program composed of a march, a classical composition and an arrangement of April in Paris.

There are 65 students in the Antioch High band, and 35 in the Pep band. The Pep band is made up of freshmen and beginning students. No freshmen are taken into the regular band, Rush says, for academic reasons. "They need that year to adjust to high school and take care of their studies before they get into the regular band schedule," Rush says.

The band will play a concert on Jan. 19, 20, 21, at the meeting of the Illinois Music Education Association in Peoria. "The invitation is an honor accorded the band in recognition of its superior performance."

There's not much chance

to teach music in the concert band, Rush says, one of the reasons he doesn't take freshmen into the organization. The time is spent in practice. The Antioch High School band plays two formal concerts at the school, a Fall Concert on November 21 and a Spring Concert. They attend the State Band contest each year, and play regularly at basketball games.

Director Joe Rush is a native of the locality, having been born in Millburn and attended Gurnee High School. His father, Thala Rush, now deceased, directed the Lake Villa Grade School Band for fifteen years.

Joe attended De Pauw University, and took his master's at Vandercook College in Chicago. He took further studies in music at the University of Indiana, and taught for two years in northeast Indiana.

Rush attributes the excellent performance of the Antioch band to a fine attitude on the part of the students. And that, he says, can be directly traced to the general attitude of the community toward education. "In general the people of Antioch community believe in education. The attitude shows in children, of course. That's why Antioch High has so many students going on to college and excels in several fields."

Being a member of a superior band requires work. Antioch band members spend five hours a week in rehearsal and one-half hour in sectional work. And work, by both the Director and the students, seems to be the main reason for their success.

Governor Kerner presents the Governor's trophy, won by the Antioch Community High School band in a statewide contest, to Superintendent Albert Dittman.

First Snow Hits Village

With Halloween barely over, the first snow of the season hit Antioch and Lake County early Wednesday morning.

Snow was light and intermittent in Antioch throughout the morning, melting almost as soon as it hit the pavement. However, in Waukegan and in other areas along the lake shore, there was enough snow to pack in to an icy film and make driving hazardous.

The Lake County sheriff's department reported numerous minor accidents, with cars skidding into ditches and other mishaps caused by the slippery film.

A strong north wind accompanied the snow, adding to the general discomfort of pedestrians. Forecasts called for two to five inches of snow in the county by night, but as we go to press, indications are that Antioch's snowfall will be light.

Commissioned Second Lieut.

Lt. John J. O'Neill, son of Mr. and Mrs. John McNeill, 455 Birchwood, Antioch, was commissioned a second lieutenant upon graduation from the Officer Candidate School (OCS) at the Army Artillery and Missile Center, Ft. Sill, Okla., on Oct. 11.

Lt. O'Neill entered the Army in November 1965 and was last stationed at Ft. Hood, Texas.

The lieutenant graduated in 1961 from Notre Dame High School for Boys, Niles, and received his B.S. degree in 1965 from Loyola University, Chicago.

He is a member of the Delta Sigma Pi fraternity. His wife, Judy, lives at 3019 N. Olcott, Chicago.

Chamber To Host AFS Student

The Antioch Chamber of Commerce will hold a General Membership luncheon meeting on Thursday, November 10, at Lorenz's Smart Country House. The meeting will be at 12 noon.

Guest of honor of the Chamber at this meeting will be Diana Maria Stagg of Ecuador, South America. Diana is the Foreign Exchange Student attending

Antioch Community High School this year. She will be accompanied by her sponsor, Mrs. Robert Jensen.

President John F. Romer urges all members and guests to attend this meeting.

Relaxed and smiling, Governor Otto Kerner obviously enjoyed the musical selection presented by the Antioch High School Band before the Governor's presentation of the trophy. He exchanged a few words with Band Director Joseph Rush at the conclusion of the number.

Horan Chosen As President Of Vets Press

John Horan, 407 Orchard St. Antioch, was installed as President of the American Veterans Press Association of Chicago at the 16th annual Vets Press Forum in the Conrad Hilton Hotel in Chicago October 20th.

The Veterans Press Association is an organization of publicity officers, editors and photographers who are affiliated with 22 major veterans organizations.

Both Mr. and Mrs. Horan attended the Forum in Chicago, accompanied by Mr. and Mrs. Richard Ohlgren of Antioch. Mrs. Horan is also a member of the Vets press.

Mr. Horan was presented with a citation which was given to him for his long and continuous work in the field of publicity.

Vote No On Tax Ceilings

On the surface, it looks like a heaven-sent chance for Lake County voters to cut taxes. And who can resist a chance to save some tax money?

We're referring to the proposal on Tuesday's ballot to set ceilings on three county funds. The proposals were promoted by the Association of Collective Taxpayers, an organization which has long been at war with the County Board.

The funds to be limited are the Board of Health fund, the Tuberculosis Sanatorium fund, and the General Corporate fund.

The proposed ceilings are more than the amount now levied for the Health Department and the T. B. Sanatorium, so it would not affect them immediately. However, in the future, it could limit them disastrously.

The County Corporate fund would be cut in half if the proposal is approved by the voters. This would leave two courses open to the County Board—cut all services in half or raise the assessment of property valuation to 100% instead of the present 55%. This would result in property owners paying almost twice as much taxes as they now do.

The 100% valuation would bring the income of the County corporate fund up to approximately its present amount. It would also nearly double the income of schools and municipalities.

It seems rather ridiculous to elect men to the County Board of Supervisors, and then so tie their hands financially that they must take action that is not in the best interests of the public, simply to keep county government alive.

If you feel that your supervisor is not competent to handle tax funds wisely, vote him out at the next election. But don't plunge the county into financial chaos in a vain hope of saving a few—and it would be very few—tax dollars.

Vote No on tax ceilings on county funds.

A Non-Controversial Issue

In the maze of candidates, revision of the Revenue Amendment, and proposed tax ceilings on county departments which will face voters next Tuesday at the polls, there is one strictly non-controversial proposal which apparently no one opposes.

Although there is no opposition to the banking law amendment on which you will be asked to vote, the amendment could fail to pass because few voters will be informed on the subject.

So far as we know, all bankers approve of the amendment. William Brook, president of the State Bank of Antioch, endorses the amendment. The revision was passed by the General Assembly without a dissenting vote.

The amendment provides that Illinois bank and trust companies be placed under supervision of an independent commissioner who would be selected by an independent policy-making board composed of six bankers and four public representatives. The proposal also calls for a change which would permit banks to establish drive-in facilities within 1,500 feet of their premises.

The banking amendment will be on a pink ballot in Tuesday's election. Vote Yes.

EAST ST. LOUIS—Political pundits who think the so-called "white backlash" is restricted to a few thin-lipped bigots or race extremists are kidding themselves and political leaders who ignore the signs are going to find themselves in trouble.

This is an unmistakable conclusion after spending several days on the campaign trail with Waukegan Mayor Robert Sabonjian as he seeks votes for his write-in drive for U. S. Senator.

In East St. Louis a rally in his behalf organized in less than 24 hours and with virtually no advance publicity brought out nearly 100 people to hear him, cheer him, and contribute to his campaign fund.

In St. Louis television cameramen and announcers go out of their way to shake keep up the fight.

In Harrisburg a television station breaks into a regular program to interview Sabonjian and the editor of a newspaper leaves a conference to meet him and order an interview in depth.

In restaurants, air terminals, and on the street, people come to him to shake his hand, urge him to stay in the campaign and promise support.

While Sabonjian's views on civil rights, welfare, and government interference with individuals and municipalities have brought him widespread notoriety, the appeal he has developed encompasses more.

Sabonjian has been speaking loudly and clearly on subjects that are normally not discussed by candidates for fear of their being classed as racists or bigots, but what the other candidates apparently overlook is that there is a resentment at what many consider preferential treatment of a minority for strictly political purposes.

Civil rights, open occupancy, bussing of school children, forced, artificial integration of schools are basic issues in this political campaign and the people are going to speak out in the privacy of the voting booth on Nov. 8.

The odds against Sabonjian winning are tremendous because of the write-in difficulty, but politicians will also be looking at the total votes received by Democratic Senator Paul Douglas and Republican Charles Percy.

It is unlikely that either Percy or Douglas will come close to leading their tickets in the state-wide voting and it would be reasonable to credit Sabonjian a vote whenever the voters ignore both of the party candidates in the Senate race.

Meantime, back at the ranch, there is a sudden realization that an election is in the offing.

The visual signs of an election in the form of billboards and posters have suddenly started appearing, but one gets the impression the candidates and organizations are only going through the motions because the outcome is already determined.

As the campaign heads in to the stretch the local races appear set with only the U. S. Senate and the state contests in doubt.

Republican Harold Schekie will win for Sheriff despite some whisperings that a deal has been made whereby Democratic Sheriff Candidate Jack Ewing has agreed to appoint Norris Froelich as chief deputy in return for his help.

Democrat Pat Ryan will make a good run for the County Treasurer's post, but Ray Sheehan should win and Truman Gerretsen should have no trouble winning the County Clerk's post. Northern Lake County will

Your Congressman Reports....

By Cong. Robert McClory

The highly touted "Food for Peace" program has encountered a serious roadblock. This unexpected situation results from the desire of our nation to assist the developing nations—white, at the same time, to avoid any action which might aid our enemies.

The Food for Peace bill (H.R. 14929) undertakes to supply surplus agricultural goods as well as fertilizer and equipment to developing nations in order to enable them to stand on their own feet. The measure—described as a program of self help—includes grants, long-term loans at low interest rates and other devices to assist the poorer countries to become self-supporting.

However, with the war escalating in Vietnam and the threat of communism spreading in the Western hemisphere from the red beachhead in Cuba, the Congress is justifiably concerned about any actions which would aid our enemies.

Unfortunately, many nations which are logical beneficiaries of the Food for Peace programs continue to do business with North Vietnam and Cuba. Some of these business transactions were recently pointed out to the U. S. House of Representatives by Congressman Paul Findley of Illinois. Congressman Findley showed that Poland, Yugoslavia and Egypt have been carrying on a thriving trade with North Vietnam, and Brazil has been shipping critical goods to Cuba. Yet, these countries might qualify for assistance under the Food for Peace program unless barred by congressional action.

When a conference committee of the Senate and House failed to provide such a bar in its report, the House by a vote of 306 to 61 sent the report back to the committee. This House action will require the conferees to insist on a provision in the legislation which would prohibit benefits under the Food for Peace bill from going to any nation selling or supplying goods to North Vietnam or Cuba.

Secretary of Agriculture Freeman described the congressional demand as "demagoguery." However, Congressman Abbott of Virginia pointed out the genuine and practical desire of the Congress to prevent American Agricultural bounty from reaching those countries which are aiding our enemies. He declared emphatically: "Now is the time to

Speaking on the Housing

Bill recently, Congressman

Fino (R., N.Y.) took Vice-

President Humphrey to task

for remarks he made in New

Orleans.

Referring to what he called

"ghetto" conditions in our

big cities, Humphrey said

that if he lived on the second

floor of some tenements,

you'd have a lot more trouble

than you have had already

because I've got enough

spark left in me to lead a

mighty good revolt."

Fino further quoted the

VP as saying there'd be open

violence in every major city

and county in America—un-

less Congress voted all the

money the President wants

for rent supplements.

Said Fino, "This is down-

right disgusting. It is an at-

tempt by the Vice-President

to blackmail Congress into a

mood of panic in order to

save the floundering and

highly unpopular administra-

tion request. It is also in-

citing to riot on the basis of

misrepresentation, because

rent supplements will do

nothing for the ghetto.

"The Vice-President will

bear a grave responsibility

in blood and lives if he tries

to provoke minority groups

to riot for rent supplements."

Like the leaders of "non-

violent" civil rights groups,

Humphrey really isn't trying

to stir up trouble. He is just

trying to put across another

pet socialist scheme of his.

And he doesn't mind using

a little blackmail to get it

Light Comedy At PM&L Theatre

Take one queen who talks too much, and one king who doesn't talk at all. Add a prince who is completely tied to his mother's (the queen) apron strings, who desperately wants to marry a princess. Add several ladies "in waiting" and their anxious knights who also want to be married but can't until the prince is. Stir in a minstrel, a jester and a wizard who tell the story, sing and dance the story, and influence the story with several magic tricks and a little "hanky-panky".

Now add a very large pinch of a crazy mixed-up princess who swims a moat, wins the love of the prince and the hate of the queen, sings fantastic songs, lifts weights and gets drunk, tries to sleep on twenty mattresses but can't because of one little pea.

Mix all of this together and you've got Once Upon a Mattress, the musical comedy being presented by Palette, Masque & Lyre this weekend and next. The play has absolutely no serious moral, no hidden meaning. It's just an opportunity to relax and laugh.

The production is directed by Ken Smouse and will be presented November 4 and 5, and 11 and 12 at the PM&L Theatre on Main St. in Antioch. Curtain time is at 8:30 p.m.

The cast includes Dee D'Isa, Steve Krotz, Gloria Davis, Lon Beveroth, Florence Babusek, Ken Smouse, Mavourneen Reardon, Bob Thomley, Bob Lindblad, Sue Bushnell, Penny Kovalenko, Kathy Droogan, Carol Brandy, Sue Stringer, Ken Nelson, Marty Lusiak, Russell Schroeder, Steve Strang, and John Westhoff. The pit combo is composed of Cheryl Hughes, Dave Bushnell, Randy Rich and Don Miller.

Fund Drive For Retarded

A door-to-door appeal for funds to support the Illinois Association for the Mentally Retarded will be held Sunday, Nov. 6 in Antioch.

Mrs. John A. Hieb, 4 Lake Drive, Antioch, will be the local chairman of the campaign.

Fahey Flynn, WBBM-TV news broadcaster, is chairman of the drive for the Chicago area. Funds raised will aid educational, recreational and welfare services of five local member associations of the IAMR and support medical research in preventive measures. To benefit are: the Lake County Society for the Retarded, Chicago Association for Retarded Children, Community Welfare for the Retarded of Elmhurst, Dixon State School Parents Association and Lincoln Parents Association.

Special service of the IAMR in the Antioch area is the new Workshop south of Antioch.

Appoint Heart Fund Leader

Lake County Circuit Clerk Stephanie Sulthinn (Mrs. C. D. Sulthinn, Lake Bluff), has been appointed Lake County Heart Fund Chairman, Heart Association of Lake County.

Mrs. Sulthinn, Lake Bluff Heart Fund Chairman for the past three years, will coordinate activities of more

than 3,500 volunteers in 22 Lake Communities during February, Heart Month.

Mrs. Sulthinn expressed optimism that Lake County's 1967 goal of \$60,000 would be exceeded, and added: "The Heart Committees throughout the county are groups of your neighbors and mine who have volunteered to serve. We receive funds from no other source but your donation to the Heart Fund."

The only woman elected to County office in Lake County's history, Mrs. Sulthinn is a member of the Waukegan-North Chicago Chamber of Commerce, Emblem Club of Waukegan, Altrusa Club of Waukegan, St. Therese Hospital Auxiliary, Executive Committee of Illinois Circuit Clerk's Association, Navy League and Waukegan Women's Club.

Lasco - Windahl Wedding At Church Of All Saints

Dorothy A. Lasco and Alan D. Windahl were united in marriage in a double ring ceremony at the Lutheran Church of the All Saints at Fox Lake at 4:30 p.m. Saturday, October 22. The Rev. Wilton H. Anderson officiated at the service.

The bride was given in marriage by her father. She is the daughter of Mr. and Mrs. Russell E. Lasco, Sr., of Antioch. The groom is the son of Mr. Leroy Windahl of Round Lake.

The bride wore her sister-in-law's wedding gown. It was of white peau de soie

with French Chantilly lace. The full skirt had a detachable train with unpressed pleats, bridesmaid sleeves and scalloped sabrina neckline. Her elbow-length veil was held by a crown of pearls and pearl-shaped crystals. She carried white orchids and carnations with stephanotis.

Mrs. John Oswald, East Syracuse, sister of the groom, was matron of honor. Mrs. Gary Crank of Antioch and Miss Linda Lasco, sister of the bride, were bridesmaids.

The bride's attendants wore Nile green sheaths with brocade bodice and crepe

skirt, with a detachable train. They carried cascade bouquets of white and bronze mums.

John Stetcher, Antioch, was best man. John Oswald, East Syracuse, brother-in-law of the groom; Lee Wirtz, Round Lake, and Glen Erdman, Chicago, were ushers.

A reception was held at Lorenz's Smart Country House. After a honeymoon trip to the Lake of the Ozarks, the couple are at home at Round Lake.

The bride is a graduate of Antioch High School. The groom is a graduate of Round Lake High School.

Leads March of Dimes

Major Gen. Francis P. Kane, Major General Francis P. Kane of Chicago, Commanding General, 33rd Division, Illinois National Guard, and a Trustee of the Metropolitan Sanitary District of Great Chicago, has been named Illinois State Chairman of the March of Dimes. The appointment was announced in New York by Basil O'Connor, President of the National Foundation-March of Dimes.

General Kane will direct the enlistment and work of thousands of March of Dimes volunteers throughout the state during the traditional campaign in January to raise funds to combat birth defects and to further research in this health area. "It's time to get rid of the idea that birth defects strike only at 'other people' and 'other people's children,'" General Kane said. "A birth defect can hit any family, rich or poor, any race, any nationality."

"Birth defects are this na-

tion's second greatest destroyer of life, claiming approximately half a million unborn babies each year and killing 60,000 of our children and adults," he declared.

"More than 250,000 American babies are born every year with a defect, and an estimated 15 million persons of all ages have one or more defects that affect their daily lives."

The Illinois chairman said that the March of Dimes, which led the successful offensive against polio, attacks birth defects by financing research and supporting 77 birth defects centers at major medical institutions throughout the United States.

School Children To Eat Butter Again

Around 19 million children who participate in the national school-lunch program will be served butter again as a result of the October 21 purchase of 688,000 pounds of butter by the U. S. Department of agriculture.

Avery A. Vose, president of Pure Milk Association, stated today the department purchased the butter for the school-lunch program following repeated requests by the National Milk Producers Federation, other members of NMPE, and legislators such as Senator Proxmire of Wisconsin that the government take action to stabilize market prices by making butter and cheese available for the program.

The department bought 344,000 pounds of butter in one-pound prints at Chicago at 68 1/2 cents per pound and another purchase of the same amount at 68.2 cents per pound, Vose reported.

Vose said the department has also offered to buy cheddar cheese for the school-lunch program.

Red Cross Girl Tells Of Viet Nam Tour

Where can a girl go to have a date every night of the week and not run out of fresh faces until the year 2541?

Where Cathleen O'Connor went—Cam Ranh Bay, South Viet Nam.

Cathy, a pretty 25-year-old lass from New Orleans, will visit Chicago, Thursday and Friday, Nov. 3 and 4, to describe her 12-month tour of duty as an American Red Cross girl in Vietnam.

Her job was to plan entertainment and recreation programs for off-duty G.I.s at Cam Ranh Bay. She completed her Viet duty late in August and is now on a nationwide tour to encourage young women (college graduates) to sign up to help the boys in Vietnam.

"We lived in a tent with wood slats for walls, a tin floor, a roof made of a red and blue parachute and 50,000 soldiers roosting on our sandy front lawn," says the young adventurer.

When Cathy slipped into her light blue summer Red Cross uniform and walked past the troop bivouac area, the already tropical temperature rose to roughly that of the sun's surface.

And yet, Cathy has the highest respect for America's G.I.s. She said they treated her like royalty and were perfect gentlemen throughout her tour.

"I felt a little like Miss America every time I walked into the mess halls. The fellows stood up for us at every meal, and we were always faced with the agonizing choice of disappointing some of the boys when we chose a table to sit at," says Cathy. Red Cross has 70 girls like Cathy O'Connor in Vietnam, working at 10 U. S. bases. They operate recreation centers and sometimes travel in helicopters to entertain the combat units. The girls stay for a year, and then return

home. Cathy visited Hong Kong, Thailand, Japan, and Hawaii while she was in the Far East.

Thursday night, Nov. 4, at 8 p.m., in the Red Cross Memorial Building 43 E. Ohio St. on Chicago's near north side, Cathy will speak about her Viet experiences to single girls 21-24 (with college degrees) about job openings in Vietnam.

To apply for a position as a Red Cross recreation worker in Vietnam or Korea, telephone Mary Ann Jeffries at the Mid-America Chapter of the Red Cross, or write her at 43 E. Ohio St., Chicago 60611.

A total of 458 co-workers from the various chapters registered to attend the Convocation for the State of Illinois, held in Des Plaines, Sunday, Oct. 30, at the Maine Township High School East. Magdalene Rensing, Deputy Grand Regent for the 1966-67 term of the Women of the Moose was the residing officer.

The Convocation, which is always held on the last Sunday in October each year, is a beautiful ceremony, where all the past senior regents who have made their award of Achievement for the year receive their award of the green cap. This green cap is then worn on all special occasions until they enter the College of Regents a year later.

The Antioch Chapter was proud to have had part in the ceremony this year. Collegian Gladys Schroeder gave the response speech. Collegians Alice Young served as escort and Gerry Mark as treasurer. Collegian Geri Good had the honors of capping Antioch's green cap girl,

girl, Evelyn Miller, Jr., graduate regent.

A total of 20 co-workers from the Antioch Chapter attended the ceremony to help Mrs. Miller celebrate her day and congratulations were extended over the serving of dinner at the Alpine Lodge in Lake Zurich following the meeting.

Over 100 of the Moose members' children were present for the Halloween party given in their honor at the Antioch Moose on Sunday, Oct. 30. Movies of the Woody Woodpecker story were shown and refreshments of ice cream, cookies and candy were served. The A.B.C. Clown club entertained and the game of dunking for apples was played. Prizes were awarded to the children for the best costumes in group ages of 2 to 6 years and for 7 years and up. A prize was also awarded to the best dressed girl and boy.

The hunting club held their meeting on Sunday, Oct. 30, at 2:30 p.m., with 28 members present. A committee was formed to look for land in the Lake County area so that the hunters can hunt for the two weekends of the deer hunting season. Charles Auxier and John Mikosh were placed on a committee for covering all by-laws. Eugene Ilye donated two puppies to the club. President Leonard Huhn says, "It won't be too long before the hunting club will put on a dinner

which will really be a feast." The next meeting for the hunters will be on Nov. 20, at 2:30 p.m.

Mr. and Mrs. Dennis Andre were awarded the prize for the best dressed costume at the Halloween party for the members held at the Antioch Moose Home, Saturday evening, October 29. Mrs. (Jeri) Andre was dressed as Raggedy Ann while Mr. Andre was dressed as Raggedy Andy. Ed Kurtz, custodian of the Antioch Moose Lodge presented them with a Rose TV lamp as their prize.

The Moose Traveling League didn't do so good when they lost two games to Zion Benton No. 2 while playing in McHenry on Sunday, Oct. 30. Robert Hadley was high man with his game of 209. The Traveling League is scheduled to play at Woodstock next on Nov. 13. Captain John Von Ogden wishes to remind all the members that the White Elephant auction will take place at the Antioch Moose Home Nov. 12, and it is planned to be an all day affair. Any members who have usable material to donate should turn it in now so that preparations can be made in advance for the auction.

The Women of the Moose will have their chapter night program at the Antioch Moose Home Thursday, Nov. 3 starting at 8 p.m. sharp. The Library committee which

Starting November 6, you can dial calls direct to patients!

The new Centrex System installed in Victory Memorial Hospital in Waukegan will allow you to dial calls direct to friends or relatives who are patients there, without having to go through the switchboard.

Each telephone in the individual rooms will have its own number. And starting November 6, Victory Memorial will have a new main telephone number—688-3000. If you don't know the phone number of the patient you wish to call, simply dial the hospital number and the switchboard operator will connect you.

Centrex will bring new convenience to everyone at Victory Memorial—patients, staff, visitors. It is another step in the modernization of hospitals in the Waukegan area. And another example of the better telephone service Illinois Bell is always striving to provide.

New Phone Service Installed At Hospital

The fastest, most flexible and efficient telephone system available to customers with large-volume communications needs will be placed in service at Waukegan's Victory Memorial Hospital on November 6 according to Illinois Bell Manager Deane Ouellette.

Called Centrex, the new system makes it possible for every Victory Hospital telephone extension user, including patients, to have his own telephone number—in effect, his own private line. Callers will no longer need to call the Victory Hospital switchboard and ask to be connected to the party they want to reach. After November 6, they will simply dial the prefix 688 and the four digit extension number of the person or department they're calling.

Also, any extension phone in the hospital can be dialed from another, using just the four-digit extension number. And callers from inside the hospital will be able to dial outside numbers direct too.

Said Ouellette, "The result will be faster, more convenient communications to, within and from the hospital."

Coincident with the introduction of this service on November 6, the main telephone number of Victory Hospital will change from the present 623-3000 to 688-3000. Should anyone call the old number following the change, special operators will refer the caller to the number.

Another important new number which many area residents will want to make note of is that of the Victory

emergency room. It will be 688-4181.

Centrex is to named because all equipment associated with switchboards usually located on customer premises is centralized at the telephone central office—in this case, 2205 Hervey Avenue in North Chicago. This building was completed in June of 1965 in anticipation of the need here for additional communications facilities. Early next year, Waukegan's St. Therese Hospital will also get Centrex.

Technicians from Western Electric, the manufacturing and supply arm of the Bell System, and Illinois Bell installers have spent many months fabricating the complex electronic circuitry required to provide Centrex telephone service.

"We are sure that both the staff at Victory Hospital and the many people throughout this area who depend on its services will enjoy the convenience and speed of this new communications system," said Ouellette.

Leave 'em Laffin'

The Venetian Village Women's Auxiliary held their annual card party and show last Tuesday at the Hooper School, and as usual, it was well attended and the prizes and acts were excellent.

The show was "Leave 'em Laffin'", and it did.

Cub Scout Parties

Hilda Huntington and Dorothy Golden, Den mothers for 3 and 4, each gave their dens a surprise Halloween parties last week.

Mrs. Huntington greeted her boys last Tuesday in an outfit made up of a dunce cap on her head, orange leotards, black shirt, orange blouse, her husband's high boots and a funny mustache. Needless to say, the boys were surprised. She has 12 boys in her den, but six guests also were there. They bit into swinging apples, carried blown balloons on a yard stick and played other games.

For their supper Hilda treated them to hamburgers, chips, jello molds, chocolate cup cakes with orange icing and marshmallow kittens on top with toothpicks for whiskers. Rita Wismer and Betty Paige helped her serve. They also had orange sherbet and did away with 44 home made taffy apples.

Mrs. Golden had her surprise party after school on Wednesday. The seven boys in her den are Danny Stahl, Michael Golden, Frankie Anderson, David Dutcher, Rockie Olson, Shawn Chapman and Billy Szesniak. Mitchell Kleben will be joining the Cubs at their next meeting.

Her boys pinned the nose on the pumpkin, ducked for apples, played musical chairs, pitched pennies and played a couple of other games. They too, enjoyed hot dogs, with all the trimmings, chips, orange popples and orange Kool-ade. The boys are all members of Pack 84.

Garden Club Meeting

The Lindenhurst Garden Club will meet Monday, Nov. 7, at the home of Mrs. Julia Pearson, 2103 E. Burr Oak Lane, at 8 p.m. Mrs. Edith Westberg, former Lindenhurst Club leader, will present a program similar to the one she gave at the Farm Bureau Homemakers show last week, using dried materials. Guests are welcome.

Teen Club Dance

The Teen Club dance was well attended last Friday night. 105 youngsters attended, and enjoyed the music of the "Traitors," even if all the boys in the band didn't show up. For their 50c donation the non-members received hot dogs, soda, cookies and candy. Members were served free. The dance was properly chaperoned by members of the Lindenhurst Citizens' Party.

"Nite-Owls"

The "Nite-Owls" Canasta Club held their annual Halloween party at the home of Ida Christensen. She greeted her guests dressed as Batman. Helen Mindak came as Christopher Columbus; Georgia Sutherland as a Spanish dancer; Betty Janega as a Witch-in-line (Valentine); Ing Spiegler as a ghost; Bert Herceg as a sailor; Pat Vrba, a Japanese girl; Florence Gruszecki won a gold hair spray container for her costume.

New-Baby

Mr. and Mrs. Richard (Nancy) Wolff, 2301 E. Greenbriar Lane, welcomed their eleventh child and fourth son at St. Therese Hospital on Oct. 22. The young man tipped the scales to 7 pounds 7 ounces at birth. Welcoming their new brother are Mary Eloise, Stephen James, Mary Christine, Mary Therese, Mary Clare, Mark

She wore a tramp-doll outfit.

A pumpkin pie, decorated Halloween cake, orange iced doughnuts, chips and dips, candy cider and coffee were served in the garage that was decorated appropriately with pumpkins and other objects.

Anniversaries

Our very best wishes to Ronnie and Shirley Coles on their eleventh wedding anniversary on Oct. 29.

And to former residents, Bob and Peggy Karry on their sixteenth anniversary on October 31. They now reside in Gurnee.

Our congratulations to Mr. and Mrs. Leo Sadowski on their golden anniversary. A Mass of Thanksgiving was held at Prince of Peace Church Sunday at 8 a.m.

Engaged

The engagement of Miss Donna Edith Shewan to Richard Edwin Erber is announced by her parents, Mr. and Mrs. Harry Boal of 1816 E. Hazelwood Dr. The bridegroom to be is the son of Mr. and Mrs. Edwin Erber of 1715 Grand Avenue. They are planning a May 20 wedding.

Attend National Convention

Mrs. Hubert (Zelma) Bechtol, president of the newly formed Lake County Medical Assistants Association, and Mrs. Steve (Jeannette) Krumm, treasurer, attended the 10th annual National Convention of the American Association of Medical Assistants held at Chase-Park Plaza Hotel in St. Louis, Mo., from October 18 through 23. The ladies are employed by Dr. Edward Abderholden of Antioch. Mrs. Wayne (Opal) Carpenter of Waukegan also accompanied them. She is employed by Dr. Eugene Pitts of Waukegan.

Eight hundred people from 45 states, including Hawaii, attended. At the first meeting ten years ago, only 150

Surprise Party

Ed and Bernice Bernau were surprised to find their kitchen decorated with pink and red streamers and white wedding bells and a beautifully decorated cake on the table, when they arrived home from church Sunday morning. Their son, Bill left the house early, presumably to pick up his fiancée, Anna Campbell in Zion, to bring her back for dinner. They hurriedly decorated the house and then went to church. The occasion was for Ed and Bernice's 33rd wedding anniversary on Oct. 25. Also present for the dinner was Bernice's mother, Mrs. Ella Schrotland, who lives with them.

a pledge from the management of A&P

What we are about to say is not new.
Matter of fact, it's over 100 years old.

A&P IS DEDICATED TO BRINGING
THE MOST GOOD FOOD,
TO THE MOST PEOPLE,
FOR THE LEAST AMOUNT OF MONEY.

That is the basis on which our company
has grown and prospered over the years.

We think it's important during this period of time
to reiterate that pledge.

We want there to be no doubt in your mind
about our policy with respect to food costs.

We want you to know we are concerned.

We want you to know we're doing our level best.

We want you to know that above all, "We Care... About You."

Antioch Squeaks by Round Lake in Homecoming Battle

Antioch's fine football team again defeated one of the season's toughest opponents.

Honors for the homecoming game go to the fullback, Tyrone Walls. Ty ran 35 times for 245 yards, an average of 7.0 yards a carry. Ty also scored the final touch down, which tied the score 13-13 in the fourth quarter; he then scored the extra game-winning point.

Jerry Whitson, Antioch's outstanding quarterback, ran the first touchdown in the second quarter and Walls ran for the extra point. Final score — Antioch 14; Round Lake 13.

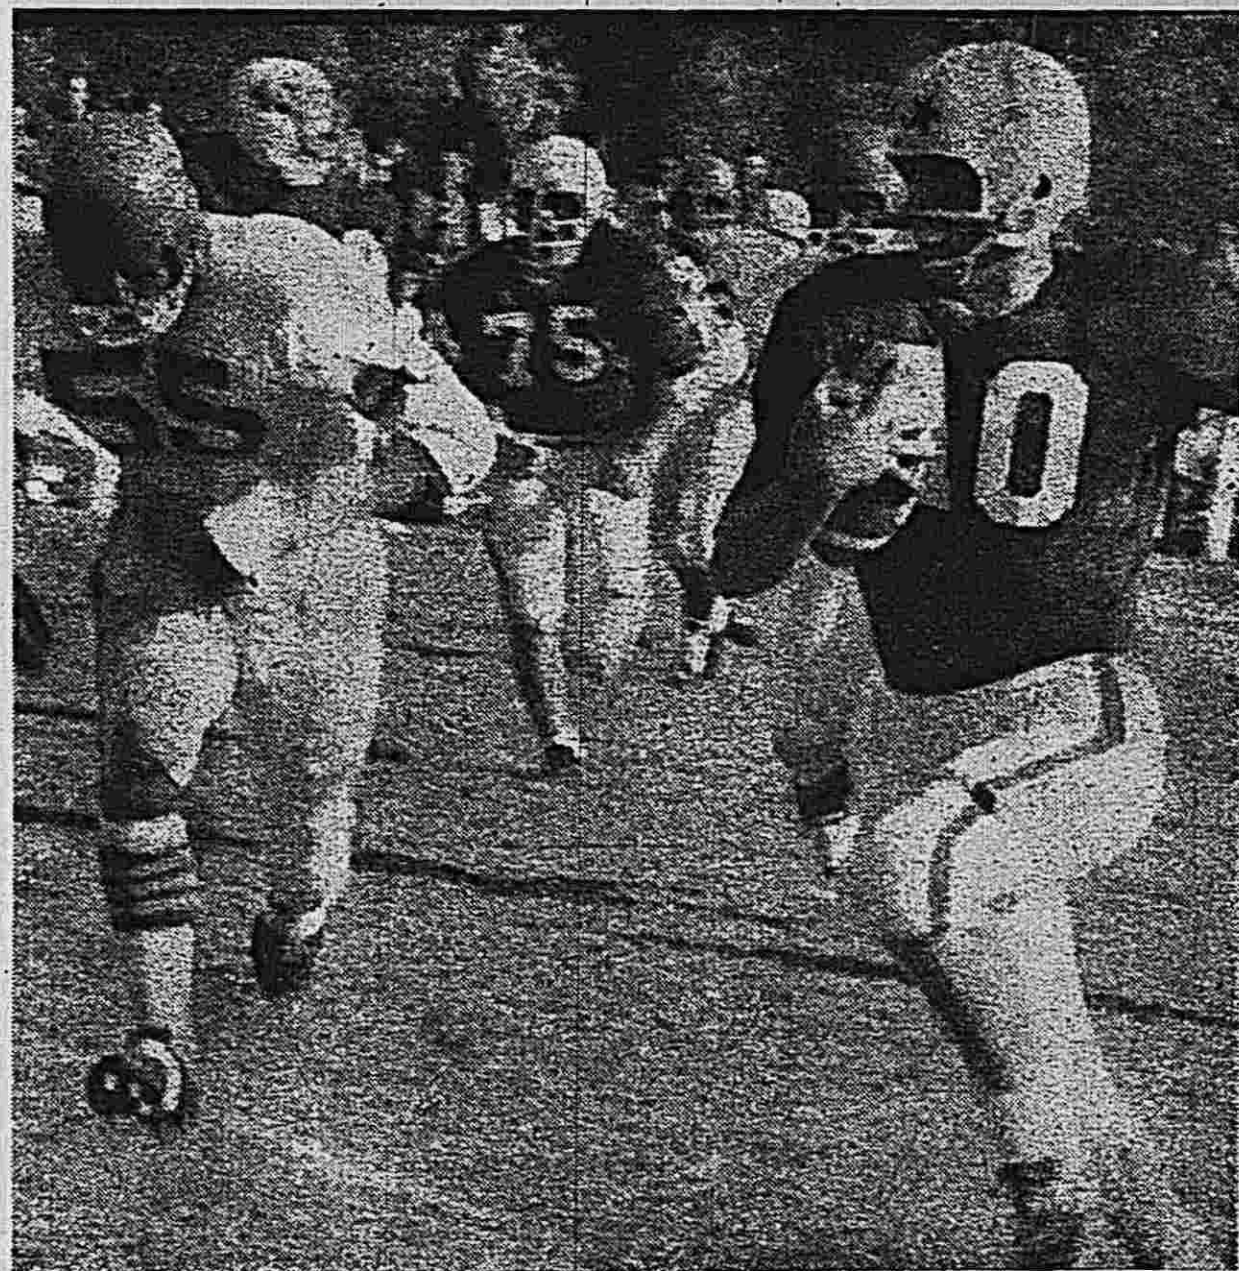

ANTIOCH 19-WAUCONDA 0
In the first quarter Jim Litchfield ran 21 yards on an

end sweep. Walls ran the extra point. Score 7-0.

In the second quarter Antioch rolled down the field 69 yards for a score, highlighted by a 23 yard run by Walls and a 16 yard run by Litchfield. Walls carried the ball over on a one yard plunge early in the second quarter. Half-time score 13-0.

In the third quarter Wauconda kicked to the Antioch 13 yard line where Litchfield recovered, but was hit for no gain. Antioch, following the kick, covered 87 yards in ten yard run by Litchfield. Walls scored on a five yard plunge. Final 19-0.

Let's see more of you out to the games to give our boys the support they need and deserve.

Cross Country Conference Champs

Antioch's Cross Country team has proved what everyone knew August 24 of this year — they're **CHAMPS**. Through much practice and effort our Sequoia varsity Harriers captured the Northwest Suburban Conference crown Saturday at Libertyville. This put the frosting on a 14-0 record. Blaine Backman and Tom Doolittle, seniors who ran for the last time in Conference meets Saturday, paced the Sequoia title surge. Well done, boys.

Other boys on the varsity

squad were Jim Maier, Bob Biaggi, Bill Effinger, Mike Polley, Chuck Denman, Marty McConahay, Jim Roberson, John Mikosh, Russ Barthel, John Bjork and Steve Miklautsch.

Lynn Barthel paced the frosh-soph harriers by placing first among all the underclass conference runners. The frosh-soph team also held an impressive record this year and finished second in the conference meet. Those boys who ran on the team were Gary Doolittle, Clarence Ar-

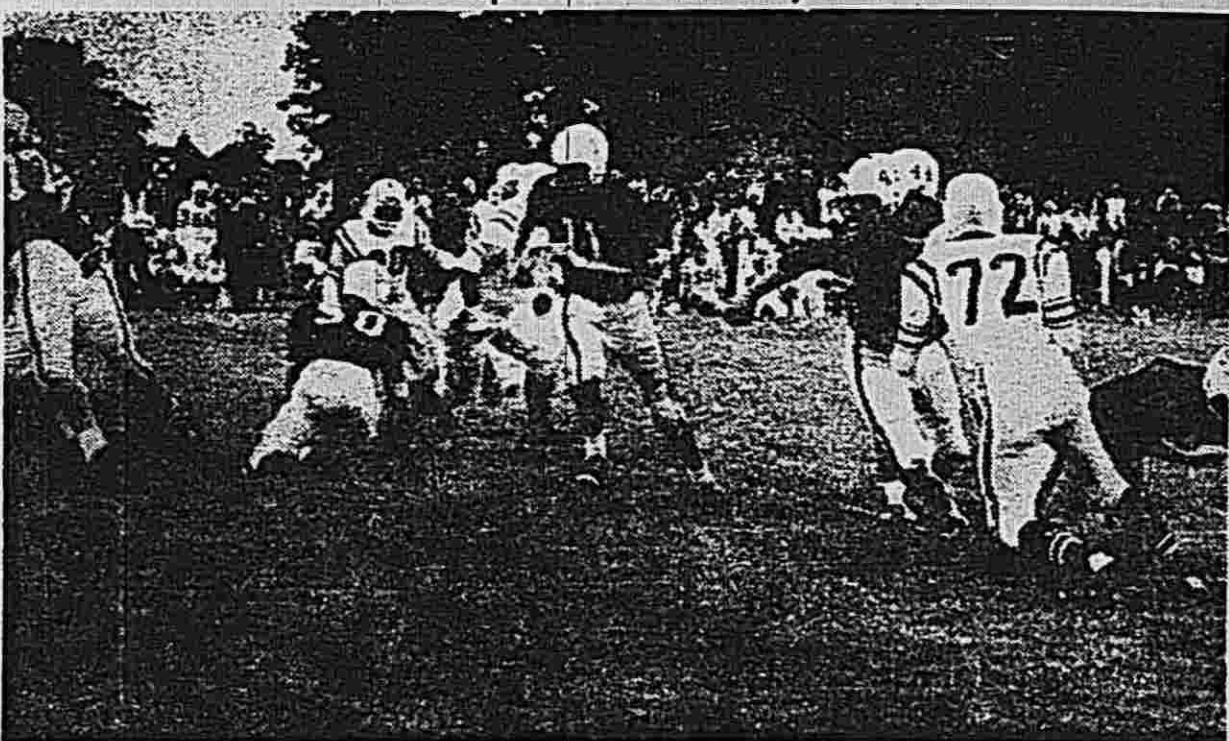

cher, Don Jackson, Bob Englehardt, Bob Lemke, Roger Sorenson and Tom Radke.

Both of our Cross Country teams were coached by Mr. Adrian Mueller. Congratulations Coach, we know you're real proud of your boys.

HOMECOMING BEST YET

"Ground Round!" No, that isn't on a label of some beef; it was the Sequoia's song of victory on Oct. 8. Yes, the Sequoia's ground Round Lake down with a score of 14-13 for the varsity victory.

This year's homecoming actually started Friday, a week before the game, with a parade advertising homecoming. The Pep club had 11 members (female) dressed up as football players calling plays. Behind them were other members carrying signs. Preceding it all was a truck full of band members playing our fight songs and behind them were the cheerleaders, driven by Miss Arendt.

The Friday following that was the pep rally, where queen Sandy Pyles was announced. Then came the big day. First, the parade, in which the senior float took

A. C. H. S. Marching Band Sets Pace

first. Then, the all-important game, which we won with a score of 14-13.

The dance was not as well attended as it should have been, so next year, let's have better attendance, huh gang? The Queen, Sandy Pyles, and King, Ty Walls, were attended by Lois Herman and her escort, Jerry Whitson, and June Horton with her escort, Steve Lobrillo. The class attendants were: freshman, Judy Mieure and Al Steller; sophomore, Karen Sheehan and Jerry Martin; and junior, Becky Day and Mike Majer. To put it in five simple words: this year's homecoming was great! Thanks, Sequoits!

G. A. A. Completes Softball Season

G. A. A. has completed its softball season with Lois Herman's team taking first place. The seniors took the class

tournament. Well done, everyone.

The next sport for G. A. A. is volleyball and captains have been elected. They are: Irene Doyle, Denise Prather, Mary Pirkko, Linda Nelson, Marlene Pleviak, Debbie Rysko, Cathie Craner and Colleen Gross.

On October 20, the G. A. A. held a tea and farewell reception for Mrs. Joyce Norton, who had substituted in Girl's P. E. and as G. A. A. sponsor along with Miss Arendt. The new sponsor and teacher is Mrs. Esterline who comes to us from Swartz Creek, Michigan. Welcome, Mrs. Esterline.

Plans are now underway for G. A. A. initiation on October 26 right after school. Big and little sisters have been chosen and new and different things are in store for all members. Be sure to attend. (picture on page 2)

Honors for the homecoming game go to the fullback, Tyrone Walls. Ty ran 35 times for 245 yards, an average of 7.0 yards a carry. Ty also scored the final touchdown, which tied the score 13-13 in the fourth quarter; he then scored the extra game-winning point.

Jerry Whitson, Antioch's outstanding quarterback, ran the first touchdown in the second quarter and Walls ran for the extra point. Final score — Antioch 14; Round Lake 13.

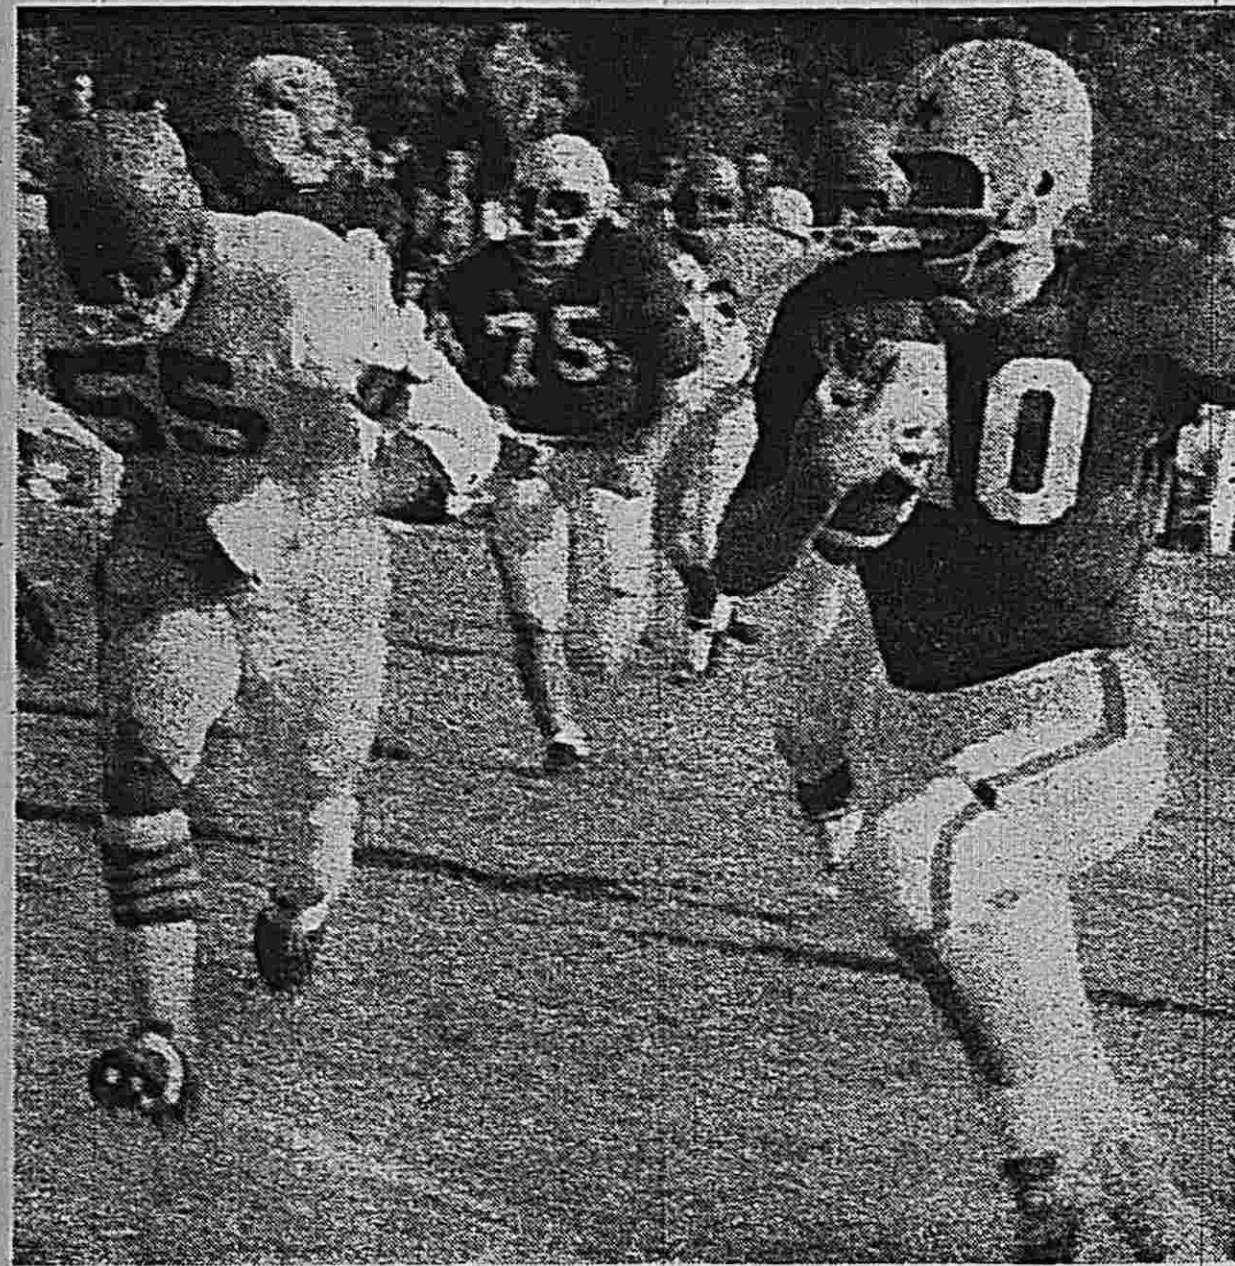

ANTIOCH 19-WAUCONDA 0
In the first quarter Jim Litchfield ran 21 yards on an

end sweep. Walls ran the extra point. Score 7-0.

In the second quarter Antioch rolled down the field 69 yards for a score, highlighted by a 23 yard run by Walls and a 16 yard run by Litchfield. Walls carried the ball over on a one yard plunge early in the second quarter. Halftime score 13-0.

In the third quarter Wauconda kicked to the Antioch 13 yard line where Litchfield recovered, but was hit for no gain. Antioch, following the kick, covered 87 yards in ten yard run by Litchfield. Walls scored on a five yard plunge. Final 19-0.

Let's see more of you out to the games to give our boys the support they need and deserve.

Cross Country Conference Champs

Antioch's Cross Country team has proved what every one knew August 24 of this year — they're CHAMPS. Through much practice and effort our Sequoia varsity Harriers captured the Northwest Suburban Conference crown Saturday at Libertyville. This put the frosting on a 14-0 record. Blaine Backman and Tom Doolittle, seniors who ran for the last time in Conference meets Saturday, paced the Sequoia title surge. Well done, boys.

Other boys on the varsity

squad were Jim Maier, Bob Biaggi, Bill Effinger, Mike Polley, Chuck Denman, Marty McConahay, Jim Roberson, John Mikosh, Russ Barthel, John Bjork and Steve Miklautsch.

Lynn Barthel paced the frosh-soph harriers by placing first among all the underclass conference runners. The frosh-soph team also held an impressive record this year and finished second in the conference meet. Those boys who ran on the team were Gary Doolittle, Clarence Ar-

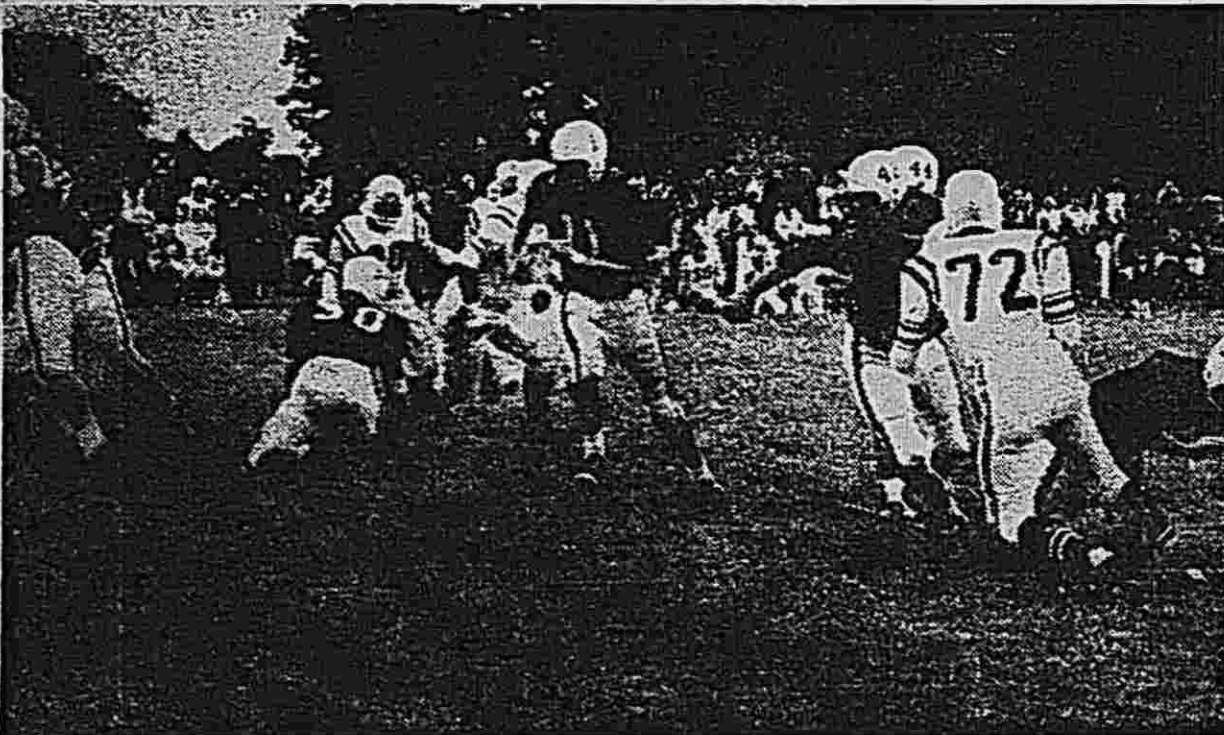

cher, Don Jackson, Bob Englehardt, Bob Lenke, Roger Sorenson and Tom Radke.

Both of our Cross Country teams were coached by Mr. Adrian Mueller. Congratulations Coach, we know you're real proud of your boys.

HOMECOMING BEST YET

"Ground Round!" No, that isn't on a label of some beef; it was the Sequoia's song of victory on Oct. 8. Yes, the Sequoia's ground Round Lake down with a score of 14-13 for the varsity victory.

This year's homecoming actually started Friday, a week before the game, with a parade advertising homecoming. The Pep club had 11 members (female) dressed up as football players calling plays. Behind them were other members carrying signs. Preceding it all was a truck full of band members playing our fight songs and behind them were the cheerleaders, driven by Miss Arendt.

The Friday following that was the pep rally, where queen Sandy Pyles was announced. Then came the big day. First, the parade, in which the senior float took

A. C. H. S. Marching Band Sets Pace

first. Then, the all-important game, which we won with a score of 14-13.

The dance was not as well attended as it should have been, so next year, let's have better attendance, huh gang? The Queen, Sandy Pyles, and King, Ty Walls, were attended by Lois Herman and her escort, Jerry Whitson, and June Horton with her escort, Steve Loblillo. The class attendants were: freshman, Judy Mieure and Al Stetler; sophomore, Karen Sheehan and Jerry Martin, and junior Becky Day and Mike Majer.

To put it in five simple words: this year's homecoming was great! Thanks, Sequoits!

G. A. A. Completes Softball Season

G. A. A. has completed its softball season with Lois Herman's team taking first place. The seniors took the class

tournament. Well done, everyone.

The next sport for G. A. A. is volleyball and captains have been elected. They are: Irene Doyle, Denise Prather, Mary Pirkko, Linda Nelson, Marlene Pleviak, Debbie Rzyzko, Cathie Craner and Colleen Gross.

On October 20, the G. A. A. held a tea and farewell reception for Mrs. Joyce Norton, who had substituted in Girl's P. E. and as G. A. A. sponsor along with Miss Arendt. The new sponsor and teacher is Mrs. Esterline who comes to us from Swartz Creek, Michigan. Welcome, Mrs. Esterline.

Plans are now underway for G. A. A. initiation on October 26 right after school. Big and little sisters have been chosen and new and different things are in store for all members. Be sure to attend.

Band to Perform

The Antioch Community High School Fine Arts Department presents the concert. The concert will be held in the high school auditorium at eight o'clock on November 21. The guest director is Dr. James Neilsen, former director at Oklahoma City University. He is presently the director of education at the G. Lablanc Instrument Manufacturers.

Also featured is a trumpet duet by Mike Mazer and Glen Erickson. They will be accompanied by the band doing Vivaldi's Concerto in Bb. Tickets will be sold by band students and on sale at the door. The price of the tickets is \$1.00 for adults and \$.50 for students.

Under the Teepee

Hi. Homecoming was really great this year! Congratulations to the queen and her court, the victorious football team, and the seniors, whose float took first place, who won the spirit award, and won BAPFAT.

Shanda and Marty, was it warm under the bleachers Saturday?

Sharon, what happened to your flowers for Homecoming?

Pat and Dale, did you enjoy your Kiddy Cocktails? Margo and Lark, what was in your milk?

Wendy, watch where you're throwing your gum wrappers.

Bill, what happened to your shoe at Homecoming?

Until next time,

What would you do with a Bremstrahlung? We asked several people around A.C.H.S. and here are their solutions.

Glen Bacox — I'd kick it around.

Mary Lulofs—I'd sell it. Louise Parker — Have it bronzed and hang it in my car.

Linda Walsh — Sit on it and squash it.

Paul Gilio — Make up my own definition for it.

Wendy Jensen — Breathe with it.

Steve Owens — I'd throw it away.

Wayne Channel — How do I know what to do with it if I don't know what it is?

For those of you like Wayne who don't know what

it is — This term refers to the phenomenon of a high speed electron coming very close to the nuclei of atoms within the target of an X-ray tube. The loss in energy, equal to h v will emit or some other form of energy such as an X-ray.

GROOVY TEACHER Awards On WLS Art Roberts announces groovy teacher awards. Students must write a letter containing the name of the teacher, what he or she teaches, and most important why the student thinks this teacher deserves the award. Mr. Hahn of the social studies department and Mr. Krahn of the science department have received awards this fall.

When these teachers were told about these awards, we got their reactions. When we asked Mr. Hahn how he felt, he said he was surprised. He somehow got the impression from his students that he is an ogre.

Next we got Mr. Krahn's reaction. He said he hadn't thought about it, but he was surprised to receive this "distinguished" award.

We think that all of the teachers on the A.C.H.S. faculty deserve this award, and more!

New Face at Antioch High

Mr. Norman Hahn from Racine, Wisconsin, is a new teacher in the Social Studies Department of A.C.H.S. Mr. Hahn has studied at the University of Wisconsin where he received a Master's Degree in 1966.

Mr. Hahn likes Antioch High and thinks the students are "swell." Some of his pet peeves are "students who don't work up to their ability, lame or false excuses, and

people who don't realize how unattractive they are in outlandish clothes." Sports, especially swimming, tennis, football and basketball, reading and music (he has a large record collection) keep Mr. Hahn busy after school is out.

We welcome Mr. Hahn to A.C.H.S. and we know everyone is glad he's here.

Dirty air is a hazard to human health—especially in crowded cities. It is also extremely expensive. It costs the average American family of five over \$300 a year. The costs in wasted fuel and damage to property have been estimated to run as high as \$11,000,000,000 a year.

When fog closes in, good drivers are extra alert, says the Chicago Motor Club. Normal driving speeds are out of the question when normal visibility is lacking. Heavy, ground fog, a common autumn occurrence, calls for the most careful kind of driving.

Every 12 minutes a home in this nation is destroyed or damaged by a fire starting in rubbish, National Fire Protection records show.

urday will agree that "Dial 'M' for Murder" was a great play to start off the dramatic year. A small but wonderful cast turned out a real hit under the direction of Mr. Cor-

The scenery was fascinating, it turned our auditorium into a luxurious living room.

The cast included Kris-Ann Fournier, the only female member, Al Murphy, John Westoff, Steve Strang, Marty McConahay, and Craig Patterson.

"Dial 'M' for Murder" was really great and we are all looking forward to more great plays this year.

TEMPORARY TAX
"Is there any such thing as a 'temporary tax'?" New taxes are often presented to the public on the basis that "this is just a temporary measure. As soon as the crisis is over, the tax will be removed." The end of the emergency usually brings a change in the tax all right. The word "emergency" is stricken from the measure and the tax stays with us as a permanent measure.

"Every unit of government seems to have a custom of spending every possible cent that might come its way, who ever heard of making a rebate to the taxpayers should the time come when too much tax money is collected? It simply isn't done, but it might be a good campaign platform for some ambitious candidate." -The Sullivan Progress
"Freedom dies without resistance to political forces working to restrict free enterprise." -St. Anne Record

The Law Serves You

A Public Service of the ILLINOIS STATE BAR ASSOCIATION

INTOXICATED MAN CAUSES DAMAGE? BARTENDER, OTHERS, CAN BE SUED

The bartender who says to his customer, "Have another drink?" may let himself in for a damage suit.

If the customer becomes intoxicated and, as a consequence, injures another individual's property or person, that individual may sue the bartender for damages.

In fact, according to an Illinois law known as the Dram Shop (barroom) Act, the injured party can sue every bartender who sold or gave away - alcoholic drinks that contributed to the man's intoxication. Proprietors and owners of the establishments in which the drinks were served also are liable and all, or any, may be sued.

Not only the injured party, but all persons dependent upon him for a livelihood, such as his wife and children, may seek damages, according to the law. Damages also may be claimed by the intoxicated person's own dependents, if his intoxication causes him to injure himself.

However, the Dram Shop Act limits the amount of damages that can be awarded. The maximum amount that may be recovered by any person who has been injured or whose property has been damaged is \$15,000. The maximum amount that may be awarded in any one action for loss of means of support may not exceed \$20,000. If more than one dependent is involved, the damages are distributed to the several dependents as the jury or court may determine.

ACCIDENT ON YOUR PROPERTY? YOUR LIABILITY HAS LIMITS.

What is the extent of your liability if a person is injured on your residential property? Liability for accidents on your property does not depend merely on ownership. Your responsibility to persons who come upon your property depends upon the reason for their visit.

The property owner's legal obligations toward the social visitor are limited by law. The owner (1) must refrain from "willful and wanton misconduct" and (2) must warn his guests of any hidden danger which he should know about. But the law does not otherwise charge the host with the protection of his guests from injury.

The law in this case is relationship between the host and his guests. It holds that the host receives no benefit from the visitor except the pleasure of the guest's company, and as one judge has stated: "The visitor in a home takes his host as he is and for the purposes of liability becomes a member of the family."

However, a different rule applies to those persons who come on your property for the purpose of a business in which you are engaged. In that case, the law says you owe such persons the duty of "reasonable care" for their safety.

Also, you may be liable for injuries to children if you have on your property an object or condition which the law says you should recognize as a possible danger to children. Even if a child comes to your property without your knowledge or permission, you may be liable for damages if he is injured by the dangerous object or condition.

Southern Illinois University once had a Department of Rural Education for training teachers for one-room country schools.

UPHOLD THE LAW, IT HELPS YOU

"Respect for the law is no doubt the most important aspect of a free society."

"A totalitarian government needs no respect for the law, it needs only fear. Disobey and execution results. There are none to charge police brutality or go free from misdeeds, be they true or false."

"For within a totalitarian land those in power are right even if wrong."

"Public trust is built on the respect and confidence for law. A stop light at the intersection, is obeyed because motorists know that it stands there for their personal safety. Each motorist waits his signal to proceed since to decide for oneself if that signal was there right or wrongly would result in harm to others as well as perhaps to himself."

"Thus laws and punishments were designed to uphold this knowledge. The policeman must enforce the law and arrest the wrongdoer for that is his work. "Illegality can only harm all of society; for by flouting the law deliberately, regardless of the reason, will cause disregard of all laws and with such a regard all is lost." - Des Plaines Valley News.

Bill Sheldon (22) is off and running, the football tucked in the crook of his arm, with Warren blockers roaring in to stop him.

Sequoits Beat Blue Devils Here, 12-6

It was a grim battle all the way for the Antioch Sequoits Saturday as they ground-out 12 points to beat the Warren Blue Devils 12-6.

Saturday's win was the first in six for Antioch over Warren. The victory kept them in second place in the Northwest Suburban league, with Lake Forest one-half game ahead.

A win by Antioch next Saturday over Lake Zurich, with Lake Forest losing to Wauconda (winless this season), would put the Sequoits in first place.

Bill Sheldon scored both touchdowns for Antioch. The Blue Devils did the best job to date of tying up Ty Walls, normally Antioch's leading ground-gainer and leading the league in the number of points scored. Walls was held to 18 yards in 8 attempts Saturday. The week before, he gained 238 yards in 42 attempts.

Steve Loblillo was knocked out of the game in the fourth quarter with an injured leg, but Coach Roy Nelson said he'd be back in action next Saturday against Lake Zurich. "Just a sprain," Nelson said.

Fine punting by Wayne Hansen helped to hold the Blue Devils; a fumble recovery by Mike Mazer set up the second and winning TD for Antioch.

Antioch's first TD came shortly after a bad punt by Warren, giving the Sequoits possession on Warren's 32-yard line. After three plays, Jerry Whitson tossed a 27-

yard scoring pass to Sheldon. Warren tied the score in the second quarter, after a long pass and several rushing attempts just short of the goal line.

Mazer's recovery of a Warren fumble on Warren's 37-yard line set up Antioch's second TD. Sheldon again carried the ball across.

Warren outgained Antioch in yards gained from scrimmage, piling up 251 yards to Antioch's 149. Walls led the Sequoits in tackles with 17 tackles and 8 assists, followed closely by Loblillo and Nader, each with 8 tackles and 4 and 3 assists.

Coach Nelson was pleased with his boys' performance and said, "They all did a good job. Walls, Loblillo, Nader, Osmond, Hansen's punting and Oftedahl and Davis as linebackers. Mazer's fumble recovery—they all did fine."

Antioch will face Lake Zurich next Saturday, Nov. 5. The varsity game will start at 2 p.m. at Lake Zurich. This is the last game of the season.

Sophs Win Tough Grid Battle

The Antioch Sophomore football team won a real squeaker last Saturday. When the gun sounded the end of the game, Antioch had won 7-6, and the successful point-after-touchdown had won the game.

Coach Andy Hauptmann said, "Basically, it was one of the finest victories of the year. We went into the game as underdogs. Warren had a 5-1 record. Antioch had a 4-2 record. They had defeated the teams that beat us."

"We counted on ball control by our team to hold Warren and it worked."

Ralph Zanek was the stand-out on the Antioch team Saturday, making 12 tackles from the safety position. Coach Hauptmann had praise also for Jerry Martin and Steve Owens, Bill Dow, Charles Hollecker, Don Efinger, Mike Patterson, Terry Triplett and Don Gaa. Gaa has not seen much action for the last three games because

of injuries and went in as defensive end, a new position for him.

"Everyone played well," Coach Hauptmann said. "Assistant Coach Ken Merrill has done a fine job with the line. The team won three of their last four games by one point. In almost every case, the other team has scored first and Antioch had to come back to win. This is the mark of another real good team, equal to the team we had last year. Coach Nelson can look forward to material for another good team next year."

Antioch's one touchdown was scored by Steve Owens. The point after touchdown was scored on a pass from Ralph Zanek to Terry Triplett.

The sophs will play Lake Zurich at Lake Zurich Saturday, with the game starting at noon. This will be the last game of the season.

Rifles Head For CSFL Title Nov. 5

On to Madison! That is the Lake County Rifles' battle cry after soundly whipping the West Allis Racers 10-14.

The Rifles closed their 1966 season with an 8-2 record, giving them the Southern Division title. Next Saturday evening they journey to Madison, Wis., to meet the Central States Northern Division entry—the Madison Mustangs.

The two will play for the CSFL championship November 5.

After a week's rest, the Lake Countians, resumed their winning ways in the season's final game at Weiss Field. The Rifles were in their best physical shape since the Manitowish game and responded in kind. With less than two minutes of game time elapsed, quarterback Lew Flinn threw a short pass to Angelo Dabiero who scampered 47 yards for a TD.

Later in the same period Bill Bodie banged in from the 6 yard line, and Wayne Miller's second conversion gave the Rifles a quick 14-0 lead.

The Rifles' offense continued to dominate play in the second quarter when Bodie again went into the end zone on a 6 yard plunge. Flinn later hit halfback Mark Metcalf with a 10 yard scoring pass, leaving the Lake County eleven enjoying a 20-0 halftime lead.

The Rifles' defense distinguished themselves in Saturday's foray on numerous occasions. In the third stanza, Racer QB Dennis Dypski had the ball jarred from his grip. Rifles tackle Willie Smith scooped up the loose pigskin and galloped 34 yards, and another Rifles score. Miller's PAT extended the locals' lead to 33 points.

A Lake County fumble in the third period gave West Allis a scoring opportunity. They capitalized on the miscue as Jim Curley scored from 6 yards out. John Maginnis converted to make

the score 33-7.

The final chapter of play found West Allis halfback Jerry McKinney firing a 51 yard TD pass to Dan Davis. Another Maginnis boot gave the Racers 14 points.

Lake County closed out the scoring with just 30 seconds in the game remaining. All American Lew Flinn fired his 21st TD of the season, 37 yards into the waiting hands of Ed Schultiss. Miller's kick put the final tally on the board as the Lake Countians smothered West Allis 40-14.

Statistically, the Rifles had 15 first downs compared

with 5 for West Allis. Bodie, Metcalf, Ron Curry and Ken Johnson combined for 174 yards rushing. West Allis was held to 107 yards.

Flinn had 121 yards passing, giving him a total of 1700 yards for the season and 21 TD's. He thus becomes the leading passer in the CSFL for the second consecutive year.

The Rifles' defensive stars were Don Roudner, Bro Abrahamson, Dick Wolf, Joe Bieck, Willie and Joe Smith. The CSFL championship game in Madison will be at 8 p.m. in Warne Field on November 5th.

NICC Turkey Shoot Sun.

The Northern Illinois Conservation Club's big Turkey Shoot, one of the classic shotgun meets of the season, is all set to go off with a bang, Sunday, November 6th at the club's trap range, three miles west of Antioch on Highway 173.

Goal of the shooters will be to cart home as many fat young ducks, rock cornish hens, and plump young turkeys as their shooting prowess will enable them. Unlucky duck hunters can fill their game bags without regard to legal limits, as they went their weary way home from the duck blinds, while

other hunters can be sure of a target here while a sashay into the field might not yield fruitful results, to say nothing of easing the hunting pressure on wildlife, a serious goal of the NICC.

Trap Committee members: Joe Menheer, Grayslake; Norm Outine, Ingleside; and B. Metz, Lake Villa, report an ample stock of meat and birds, sufficient to accommodate upwards of 750 gun-slingers in the day long barrage.

Dorothy Wertz and Ann Waters, Antioch, have laid in a heavy supply of hot refreshments to satisfy all and

sundry hunger pangs all day long. Ammunition will be on hand for those who need it.

Non-shooting visitors are invited to come out and see what the shooting is all about, as well as to tour the extensive grounds to see the conservation work of the NICC in action. Or they may stand around and shoot the breeze.

Shooting starts at 9 a.m. and will continue until dark. Net proceeds of the shoot will be used by the NICC to continue, and enlarge its established conservation and youth education program.

Parent's Day At Antioch High School Football Field

It was Parents' Day at the football game at Antioch Community High School last Saturday, when parents of football players are honored. It was the last home game of the season, and a cold, raw, windy day, but the mothers and fathers turned

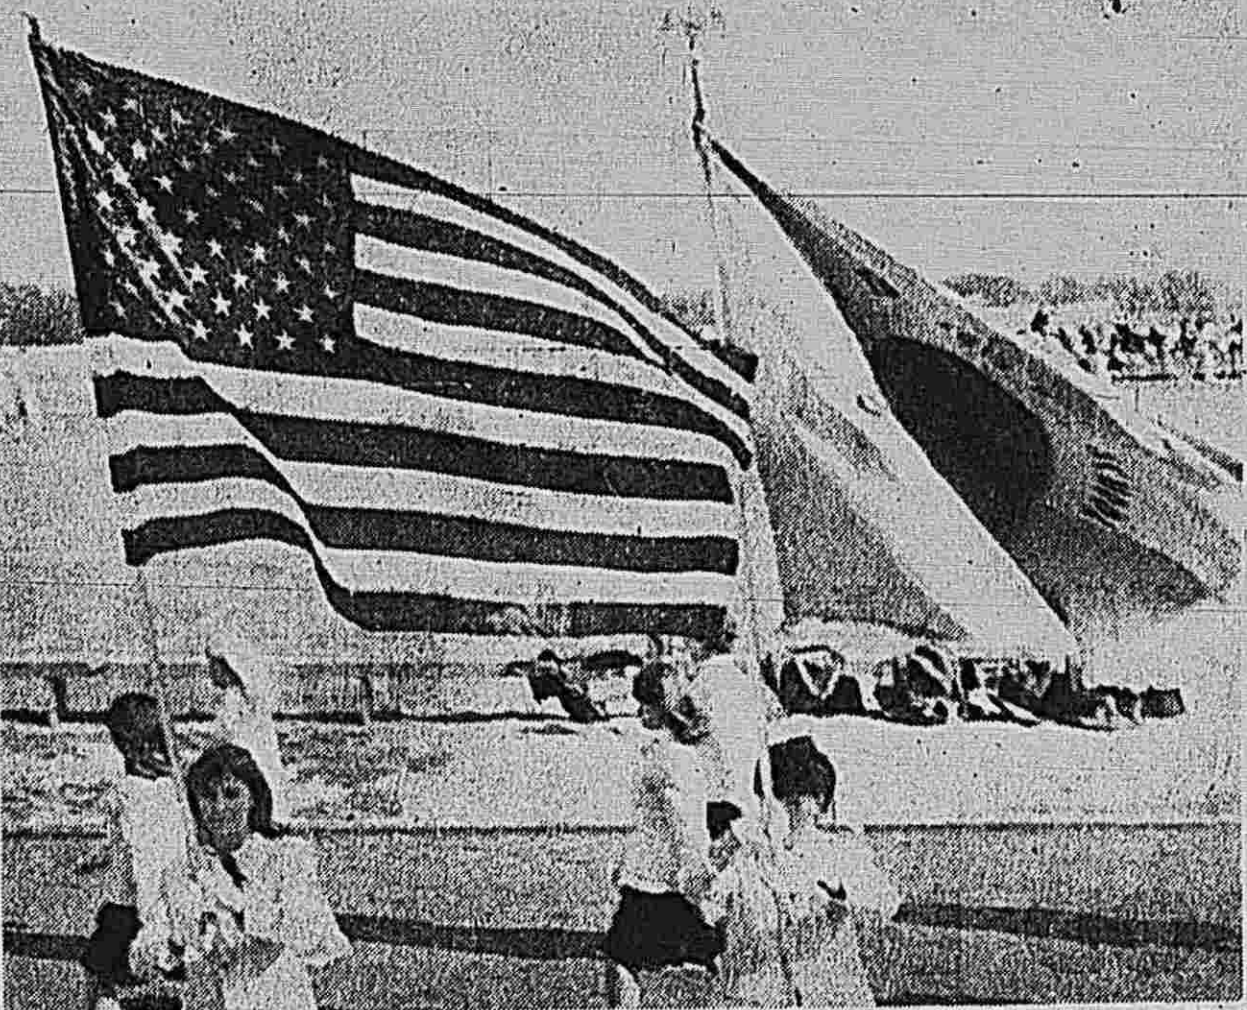

out in force to watch their sons defeat Warren for the first time in six years. Mothers of the players were presented with corsages, and each player and his parents were introduced before the game started. Ceremonies for the day

opened with the presentation of a new flag to the school by Antioch American Legion Post No. 748. The flag was raised to its position on the flagpole at the football field by Commander Bernard Stalick, Senior Vice Commander Ray Rathmann, and Past

Commanders George Ott and F. A. Swenson. The Antioch High School Band and the GAA Color Guard contributed to the colorful pre-game activities. The Sequoias will play their last game of the season against Lake Zurich Saturday.

It was Parent's Day at the football game at Antioch High School Saturday. Here are some of the parents who were introduced, along with their football-playing sons, before the game.

The Color Guard presents the colors before the football game at Antioch High School. Georgia Goetz, with the U.S. flag, Karen Murphy with the school flag.

Report On Public Aid

Illinois' public assistance caseloads totaled 403,237 persons in August, reports Harold O. Swank, director of the Department of Public Aid reports. This was an increase of 5,005 over July's total of 397,632, and 7,213 less than the August-1965 figure. Lake County's total caseload was 2,735 persons with a total expenditure of \$1,166,558.

Swank said the August increase was due mainly to the addition of 3,468 persons to the rolls of those receiving medical assistance only under the Medical Assistance program. Other increases were noted in the Old Age, Disabled and Aid to Dependent Children programs, while the Blind Assistance program fell slightly during the month.

Public aid expenditures for August totaled \$26,200,453, compared to \$24,106,302. The August-1966 total includes \$608,666 in payments for ADC-Foster Care, Assistance to the Medically Indigent in Chicago and Cicero, and Burials.

There were 27,301 persons and 20,999 cases eligible for medical only in the Medical Assistance program and \$3,033,357 in payments were made on their behalf during August. Payments for medical services only during July were \$2,151,946 for 23,833 persons. The 3,468 increase from July to August is reflected in the trends for the individual programs.

In August the number of persons in the Aid to Dependent Children program was 255,346, an increase of 1,990 over the July figure of 253,356, and 3,507 below the August-1965 figure of 258,853. Expenditures for August were \$11,734,044 and averaged \$45.95 per person, compared to July expenditure of \$11,643,628, averaging \$45.96 per person. The cost of the program in August 1966 was \$11,006,849 and averaged \$42.52 per person.

The number of persons receiving Blind Assistance in August totaled 2,231, a decrease of 3 from the July total of 2,234, and a decrease of 144 below the August-1965 total of 2,375. The cost of the program for August was \$234,910 and averaged \$105.25 per person, compared to the July costs of \$233,727, averaging \$104.62 per person. The cost of the program in August 1966 was \$211,030 and averaged \$88.85 per person.

The Disability Assistance program increased by 522 persons from the July total of 32,452 to the August total of 32,974. The August 1965 total was 30,409. The cost of the program in August amounted to \$3,898,528, and averaged \$118.23 per person.

son, compared to the July expenditures of \$3,521,893, averaging \$108.53 per person. In August 1966 the costs were \$2,927,189 and averaged \$86.26 per person.

Old age Assistance recipients increased by 660 persons from 57,089 in July to 57,749 in August. The current caseload is 3,248 above the August 1965 figure of 54,501. Expenditures for August were \$6,556,100 and averaged \$113.53 per person, compared to July's total of \$6,418,405, averaging \$112.43 per person. In August 1966 expenditures were \$4,894,666 and averaged \$89.81 per person.

The number of persons receiving General Assistance—

All Units in August totaled 54,442, an increase of 1,941 over the July total of 52,501. The current total was 8,160 less than the August 1965 number of 62,602. The cost of the program in August was \$3,006,709 and averaged \$55.23 per person, compared to July's expenditure of \$2,887,072 averaging \$51.19 per person. Expenditures for August 1966 were \$3,235,279 and averaged \$51.08 per person.
